### MULCH & WOOD CHIPS

<b>Deluxe Red Cedar</b>	<b>\$40.00 / c.y.</b>
Premium double ground, color enhanced blend of cedar and spruce combines beauty with a wonderful aroma.	
<b>Natural Cedar Blend</b>	<b>\$40.00 / c.y.</b>
Premium double ground natural cedar.	
<b>Midnight</b>	<b>\$40.00 / c.y.</b>
A very dense and heavy texture that is aged and color enhanced.	
<b>Hemlock Blend</b>	<b>\$42.00 / c.y.</b>
Color enhanced double ground product gives a natural brown color with just a hint of red.	
<b>Enhanced Forest Blend (Dark Pine)</b>	<b>\$40.00 / c.y.</b>
A lightly enhanced aged blend of pine and other soft wood.	
<b>Natural Forest Blend</b>	<b>\$33.00 / c.y.</b>
Dark all natural bark mulch, no color enhancing.	
<b>Natural Chips</b>	<b>\$33.00 / c.y.</b>
Finely ground softwood with no bark in mulch, perfect for playgrounds and gardens.	

\*Dry mulch weighs approximately 500 lbs. per cubic yard

### TOP SOIL, LOAM, COMPOST & FILL

<b>Premium Grade Top Soil</b>	<b>\$34.00 / c.y.</b>
Finely screened manufactured loam is free of large sticks and stones, perfect for lawns or planting beds.	
*Important Notice: To the best of our ability, we screen our top soil to ¼". We cannot guarantee that larger debris will not fall through the screens occasionally. We also add compost to create an organic content that helps the growing process.	
<b>Contractor Grade Loam</b>	<b>\$25.00 / c.y.</b>
Coarsely screened, sand based product that is great for areas that need drainage or thick coverage.	
*Dry top soil and contractor loam weighs approximately 2100 lbs. per cubic yard	
<b>Compost</b>	<b>\$33.00 / c.y.</b>
*Compost weighs approximately 1150 lbs. per cubic yard	
<b>Common Fill</b>	<b>\$15.00 / c.y.</b>
*Common Fill weighs approximately 2700 lbs. per cubic yard	

**Pick-Up available 6 days a week; Delivery available 5 days a week. Tax not included in pricing.**
